| Important Questions   | Answers  | Why this Matters:   |
|---|--|---|
| What is the overall <u>deductible</u> ?                                 | For In Network providers <b>\$600</b> for an individual<br>plan / <b>\$1200</b> for a family plan.<br>For Out-of-Network providers <b>\$800</b> for an<br>individual plan / <b>\$1600</b> for a family plan per<br>calendar year.    | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible?</u>      | Yes.<br>Doesn't apply to preventive services, services with<br>a fixed dollar copay, prescription drugs, diagnostic<br>testing, imaging services and childbirth/delivery.  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.  |
| Are there other<br><u>deductibles</u> for specific<br>services?         | No   | You don't have to meet deductible for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | For In Network providers <b>\$3000</b> for an individual<br>plan / <b>\$6000</b> for a family plan.<br>For Out-of-Network providers <b>\$6000</b> for an<br>individual plan / <b>\$12000</b> for a family plan per<br>calendar year. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limits</u> until the overall family out-of-pocket limit has been met.  |
| What is not included in the <u>out-of-pocket limit</u> ?                | Premiums, balance-billed charges, health care this plan doesn't cover and penalties.   | Even though you pay these expenses, they don't count toward the <u>out-of-</u><br>pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?                | Yes. See www.BCBSRI.com or call 1-800-639-<br>2227 or (401) 459-5000 for a list of <u>network</u><br><u>providers</u> .  | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see<br>a <u>specialist</u> ?           | No   | You can see the specialist you choose without a referral.   |
